Doane House Hospice has been a fixture of the community for over 30 years while serving residents of York Region. About our Hike

Hike for Hospice is a community-based national fundraising event that Margaret Bahen Hospice and Doane House Hospice have participated collectively in for the past 5 years. We're asking our community to come together with their families, friends, and colleagues to Hike for Hospice in memory or in honour of a loved one, either through a personal connection or as a general support of York Region families. **Last year, with your support we raised over \$82,700 for Hospice**, our most successful Hike in history! Check out our event video from 2021! www.youtube.com/watch?v=NHigAYOiQlk

We are hoping to return to having a portion of our Hike for Hospice in-person. Our Hike for Hospice kickoff event is taking place on **May 17th** at Margaret Bahen Hospice followed by our virtual Hike from **May 22nd to May 29th**. We will also be hosting a celebration day taking place on **June 12th** where participants who raised at least \$250 can come together and celebrate their successful fundraising efforts.

It costs on average \$1,000 per day for a hospital bed and in comparison, approximately \$460 to operate a bed in hospice. There is no cost to our residents because of support from donors and sponsors like you. Our hospices have to raise \$850,000 of the annual budget through special events, donations and sponsorship to ensure our programs remain available for those who need them.

Hospice Moments

Hospice care is an essential part of the health care system that not only offers individuals the opportunity to make choices for their end-of-life journey, but also supports family members as they transition to a new life after they have lost a loved one.
